## PROGRAM OBJECTIVES

- **Innovative Research-** The BIARI program aims to make a significant contribution to global research through transnational academic collaboration, promoting Brown's vision of the global university.
- **New Vectors of Global Exchange-**The objective is to provide a platform for promising young faculty from the global south and emerging economies to engage in a high level and sustained intellectual and policy dialogue with leading scholars in their fields and each other.
- **Sustainable Network Building-** using the Virtual Academic Network (V.A.N) a custom-built online organizing tool designed to facilitate academic exchange before, during and beyond BIARI's residential component.
- **Each institute is organized as a mix of lectures, round table discussions, group work, field trips, cultural events and social interactions. Each is led by a team of distinguished Brown faculty who have invited world-renowned lecturers and speakers to join and participate in the Institute's formal and informal activities.**
